

Alumni Interaction

Mr. Biswadeep Banerjee (Assistant Manager, Haldia Petrochemicals Limited) visited the Department of Chemical Engineering on 23.02.2017 as a part of the Alumni Interaction Activity with the current batches of Chemical Engineering students for more than 3 hours and advocated to help them to be groomed like an individual with utmost altitude through a deliberation on

"Aptitude, Attitude and Attributes to your Utmost Altitude!" in order to nourish their dream much better to be seen in reality. He has delivered a nice lecture on technological development in Petroleum and Petrochemical Arena during this decade. A total of 56 students attended the session and enjoyed with great satisfaction.
