

Mr. Jagabandhu Chatterjee

Assistant Professor (Mathematics)
Department of Applied Science & Humanities

Qualification:

M.Sc(Mathematics) From Banaras Hindu University .

Academic Experience:

10 yrs.

Teaching Interest:

Graph Theory, Differential Equation, Numerical Analysis, Complex analysis, Fourier Series, Series Solution (ODE and PDE), Operation Research, Group Theory, Integral Transform.

Research Interest:

Numerical Methods and Complex Analysis.

Seminar Organised/Attended:

Organised and participated in National Seminar on “Recent Trends of Applied Sciences & Humanities (RTASH)” for last five years from 2013 to 2018 at Durgapur Institute of Advance Technology and Management.
