

Prof. S.P.Ghoshal

(Visiting Professor)

Highest Qualification: Ph.D (Power Systems) from Jadavpur University

Teaching interest: Power System especially FACTS devices, Digital Signal Processing, VLSI

Teaching & Industrial Experience: 36 years teaching experience in NIT, Durgapur, and 2.5 years
Industrial Experience

Research Interest: Soft Computing and application in power systems optimization & Antenna Design

Administrative responsibility: a) Ex-HOD(EE dept) of NIT Durgapur

b) Ex-BOG member of NIT Durgapur

Projects: 190 nos. Different projects have been guided for Under Graduate students of NIT Durgapur &
40 nos. projects have been guided for Post Graduate students of NIT Durgapur

Research & Publication: International Journal – 150

Conferences - 175.
