

NSS Report on Tree Plantation in DIATM Campus

On 29th July, 2017, our college successfully completed the event of Tree Plantation under the National Service Scheme (NSS) at college campus. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The event was begun with the welcome speech by the Principal, Prof. (Dr.) P.K Sinha sir. At that time Principal advised the volunteers to think differently for the society, to make positive changes and to make improvement.

Dr. Amitava Sarkar, NSS officer orients the NSS volunteers by notifying the importance of NSS for them as well as society. He shared his past experiences with volunteers that how he got the success through NSS and what difficulties he faced while performing his role as Programme Officer. He said that “In society all the human beings are comprise equal importance, no matter with the Men or Women.” He also said that the dedication is must to accomplish the goals and dreams in life. Dr. Projjwal Sarkar, HOD, Chemical Engineering Department, also address the volunteers and passed a message of kindness & being helpful to the needy people.

After the inspirational words of NSS officer and Principal, we all move towards the place where tree plantation took place. A very first tree plant by Mr. Amitava Sir in college premises and then Principal Prof. (Dr.). P. K Sinha also plants a tree. Total tree planted by all others including teachers, volunteers and other students was more than 15 on the day.

All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature
