

Name: Tanmoy Maiti

Designation: Assistant Professor in Mechanical Engineering Department,DIATM

Qualification: M.Tech from IIT KHARAGPUR

B.Tech from MCKV Institute of Engineering, WBUT

Academic Experience: one year

Teaching Interests: Engineering Thermodynamics, Refrigeration and Air Conditioning, Turbo-Machinery, Applied Fluid Mechanics, Fluid Mechanics and hydraulic machines, Dynamics of Machines

Research Interests: Two Phase flow in open cell metal foam, Characteristics study of laser micro-drilling

Publication: “Pressure Drop and Heat Transfer Analysis for Flow Boiling in Metal Foam Filled Tube” at All India Seminar on “Sustainable Development in Manufacturing Process & Impact on Environment” held at DIATM on 3-5 May,2018
